

Yes! I want to order a **ZA DIFFERENCE BUSINESS-IN-A-BOX** to help create jobs in my community!

- Your investment of R1 500 will generate a 33% return to be shared by you and your community. Individual sellers invest a minimum of R75. This buys them 5 magazines, which they then sell for a total of R99.75. Their profit: R24.75 (or R4.95 per copy sold). You will make R1.00 per copy sold for yourself or for your organisation.
- There is no risk to you as you will be invoiced only once the issue in question has gone to print. Furthermore, anything not sold by you or your individual sellers can be returned for a refund. We even pay the postage to get the magazines back to us!
- *Speak with your accountant about the tax and score-card benefits available for supporting a non-profit effort.*

I would like to order:

_____ (Number) _____ of complete starter kits, each containing 100 magazines, 100 flyers, 10 items of branded clothing, a re-order form and one poster to advertise that I am an official **ZA Difference** distribution point for street sales @ R1 500 per kit, including VAT.

_____ (Number) _____ of additional boxes, (not starter kits) each containing 100 magazines @ R1 500 per box, incl. VAT.

_____ (Number) _____ of additional **ZA Difference** T-shirts at R30 each. *(Available at this price after ordering of first starter kit.)*

Total amount of this order: R _____ **including VAT.**

- I understand that I will be invoiced for this order as soon as the next issue goes to print and that delivery will proceed only once full payment has been received by **ZA Difference**.
- Please contact me on a monthly basis to confirm if I would like to order a Business-in-a-Box for the next issue.
